

Year of The Metal Tiger: 2010

The Tiger is the third sign of the Chinese Zodiac. It is a courageous, authoritative, charismatic, initiating, competitive, dynamic, adventurous and dramatic sign. The Year of the Tiger 2010 is a Yang Metal year, and it is a year of much activity, drama, changes, crisis, and unpredictability. While caution and moderation were advised in 2009, the Year of the Ox, flexibility and the ability to deal with changes are essential qualities in 2010.
